From Your NFC President

Fellow Members: We are very excited about all of the exciting events planned for 2010. Swim Team, League Tennis play, Camp Nottingham, and a host of fun Social events should help make this year most memorable. On Easter weekend we will be having a work day at the Club to prepare for the NFC Crawfish Boil and the opening of the Pool. On April 10th the Club will be hosting a Crawfish Boil as the first fundraiser for the NFC Pride campaign. Please check the Club website for details and registration. Next week our new NFC Rental rates will be put on the website and we have already begun preparations for our new marketing campaign to ultimately reach the full complement of Members. Please check the website for more information on upcoming events and Club information and as always I look forward to seeing you at the Club. -- *Scott McKnight*
