RSVP to mathewsfam4@gmail.com

Pool News - by John Powell

Our pool company has been working hard to ensure the safety of our members and guests and to keep on top of maintenance needs related to the pool. We recently replaced the sand in the filter; hopefully you should notice an improvement in the water quality. We also replaced a failed pump motor. Please feel free to bring any issues or concerns to my attention at any time.

Social Events - by Danielle Mathews

NFC celebrated the **Fourth of July** in grand style this year! After starting the day with a patriotic parade through the neighborhood, members spent a fun-filled day poolside. Nonstop games, activities and fun included hula hooping, watermelon passing, duckies in the baby pool, and of course the big splash contest! Bryan Pannagl was our repeat champion, and Mike Suerth was the runner-up. Delicious burgers and dogs were grilled by Keith and Pierre. Thanks to Jenny Kallus and Maria Schick for help setting up, to Robyn Yim for help during the day, and to Laura Williamson for organizing the craft activities.

Upcoming NFC Events

July 16 - Family Fun Night - Fajitas and Karaoke!

July 30 - Family Fun Night

August 13 - Family Fun Night (tentative)

August 27 - Back to School Party

GUEST FEE DOLLAR DAYS

Enjoy guest fees of only \$1.00 on Wednesdays and Fridays for the remainder of the pool season!

MISSING DECORATIONS

We are missing four large clear tote boxes containing patriotic red white and blue decorations. These boxes were stored in the upstairs crawlspace. We assume these decorations were borrowed by someone for use at another location. If you have any idea about the location of these items, please contact any Board members or return them to the Club office immediately. Thank you!

Members also enjoyed an impromptu **Family Fun night/Swim Team fundraiser** combined with the **New Member Party** in late June. We enjoyed getting to know many of our new members and neighbors - hope you are enjoying the pool and all our fun activities.

Our next social event is a **Family Fun Night** scheduled for this Friday, July 16. We will be cooking up some delicious fajitas and plan on having an evening of family fun with karaoke for kids and parents. RSVP TODAY for this fun evening! See details above.

SPORT COURT

Please remind your kids of the new Sport Court policy: the Sport Court will be open during pool hours only. Members can stop by the Club office to check out a key and pay any applicable guest fees, then enjoy a game of basketball with their friends.

SWIM LESSONS

Summer is only half over - there's still lots of time for swim lessons! Contact the Club office for the names and numbers of some of our great swim team coaches who are offering convenient lessons at the pool this summer.
