----- NFC Newsletter - May 2010 -----

From Your NFC President & Board

Summer vacation is just around the corner! We'd like to take this opportunity to say "Welcome" to all of our new members, and "welcome back and thanks" to all of our renewing members.

Thank you to everyone who came out and supported the Club at our wonderful **Crawfish Boil**. Special thanks to Danielle Mathews and her team of volunteers who made the event such a success. See below for a complete list of the donors who made it all possible.

Another big "thank you" to members of the **Dad's Club** who came out last month for a weekend of painting, picnic table construction, pool furniture cleaning, landscaping and more. We hope you all had a chance to visit the Club while the azaleas were in bloom - a beautiful time of year! The tropical landscaping should help us all feel like spending time at the Club is a little mini-vacation away from our day-to-day lives.

You may have noticed a few **improvements at the pool**. The new self-closing gate, "no diving" signs, and many many behind-the-scenes repairs were all completed prior to the pool's opening to ensure that we are in compliance with the latest City of Houston Codes and are ready for a fun and safe pool season. Remind your kids to respect the life guards, and feel free to talk with any of our friendly guards if you have questions about any of the pool rules.

Tennis players - at our May Board meeting, the Board approved funds for replacement of the **tennis awning** between the courts prior to the start of fall league play.

Please check the NFC website anytime for more information on

Our Nottingham Forest Sharks Swim Team members have been hard at work practicing every day after school, and are ready to take to the waters and compete! Come cheer them on at one of their Monday evening home meets - June 7 & 21. Go Sharks!

The Youth Tennis Summer Program starts soon. What a great way to introduce your kids to tennis, or help develop their skills, during those long summer days. Stop by the Club office or website for more details.
